SNAP Acknowledgement

As an FNS (Food and Nutrition Services) certified drug and alcohol treatment center, Valley Oaks Residential is qualified to use SNAP benefits for any eligible resident's food needs while they reside in a facility. The amount of benefits a facility can use and the date the facility can receive the benefits depends on the following:

- The date the resident entered and leaves the facility
- The monthly SNAP benefit amount, and if the monthly benefit amount was issued for the individual or household.

The facility is held financially responsible for any loss of benefits to the resident due to misuse or theft of the an EBT card while in possession of the facility; therefore, Set Free Alaska will retain all cards which will be kept and secured for safekeeping.

For clients who are currently receiving benefits a change form will be submitted to the DPA office notifying them the individual is now residing at our facility, along with a request to have an alternate card issued with Set Free Alaska Inc. listed as the authorized representative. Clients who are not receiving benefits will be required to submit an application to the DPA office for food assistance, along with a request to have an alternate card issued with Set Free Alaska as the authorized representative.

Upon discharge Set Free Alaska Inc. will relinquish the card back to the client, and a change notice will be sent to the DPA office notifying them the client is no longer residing at our facility. Any alternate cards issued to Set Free Alaska Inc. will then be destroyed, and any final benefits for the month will be paid to the agency if applicable.

By signing below, I acknowledge understanding of, and agree to abide by the SNAP benefit policy.
